Hold Tight
The Kooks

[Intro] **A B   C#m**

A   B   C#m
 Still remember the lies of yesterday
A   B   C#m
 When you turn and do yourself away
A   B   C#m
 It s been a hole to the memories
A   B   C#m
 of the girl that you used to be

A   B   C#m
 You used to say I m like the polyan
A   B   C#m
 not good enought but like to lie on
A   B   C#m
 When you feel like that would make sense
A   B   C#m
 I would jump right in front of you

(**A   B**)

C#m   A B
    But now jump right in front of you
C#m   A B
    Take a bullet if i had to
C#m   A   B
    Yeah I would jump right in front of you
C#m
  Say if you need

A   B
Hold tight
C#m
Just let the world spin
     A   B
It feels right
C#m
Dont stop the feeling
A   B
Hold tight
C#m
And let the world spin
A   B   C#m
Don t fight the feelings

A   B   C#m

```
 How can you look me in the eye and say
A                 B        C#m
 Still don t feel that way
A                 B            C#m
 I know the lie when I see one
A            B            C#m
 Yeah so good how to know

A                 B                C#m
 You sound like you re the polyan
A             B                C#m
 Never weak just like the lie on
A             B                C#m
 Maybe watch you don t see it
A                 B              C#m
 Is that you re only killing me?

C#m                                    A B
    But now jump right in front of you
C#m                          A B
    Take a bullet if i had to
C#m                              A        B
    Yeah I would jump right in front of you
C#m
   Say if you need

A      B
Hold tight
C#m
Just let the world spin
      A     B
It feels right
C#m
Dont stop the feeling
A       B
Hold tight
C#m
And let the world spin
A       B          C#m
Don t fight the feelings
```
