

Honey Bee  
The Kooks

[Verse 1]

**Eb**                    **Bb**                    **Ab**  
I know I was a fool when I first met you, girl  
**Eb**                    **Bb**                    **Ab**  
But once I was a danger to myself  
**Eb**                    **Bb**                    **Ab**  
But one look at you and all that was changed, girl  
**Eb**                    **Bb**                    **Ab**  
I knew in my heart I d been saved

[Chorus]

**Cm**            **Bb**            **Ab**            **Eb**  
Because I Iove to love you  
**Cm**            **Bb**            **Ab**            **Eb**  
You got me tied down, my honey bee  
**Cm**            **Bb**            **Ab**            **Cm**  
And yes, I love to love you the way that I do  
**Bb**  
You were always on my mind  
**Ab**  
So I say it one more time  
**Eb**                    **Ab**  
I love you  
**Eb**                    **Bb Eb**  
I love you

[Verse 2]

**Eb**                    **Bb**                    **Ab**  
Once I thought that life was just a wasteland  
**Eb**                    **Bb**                    **Ab**  
Friends and power were all I craved  
**Eb**                    **Bb**                    **Ab**  
One look at you and I was changed, girl  
**Eb**                    **Bb**                    **Ab**  
I know in my heart I had been saved

[Chorus]

**Cm**            **Bb**            **Ab**            **Eb**  
Because I love to love you  
**Cm**            **Bb**            **Ab**            **Eb**  
You got me tied down, my honey bee  
**Cm**            **Bb**            **Ab**            **Cm**  
And yes, I love to love you the way I do

**Bb**

You were always on my mind

**Ab**

So I say it one more time

**Eb**

**Ab**

I love you

**Eb**

**Bb Eb**

I love you
