

**Rosie**

**The Kooks**

Note: The chord listed as B\* is a chord I don't actually know the name of, but basically, it's an open C shape with the second fret barred, like this-

e-2  
B-3  
G-2  
D-4  
A-5  
E-X

Verse:

**F#m**                      **A**  
See the same old cloud again,

**Bm**                      **B\***  
Wash my hands, shake my feet

**F#m**                      **A**  
And yes I missed you oh,

**E**    **D**  
Since I last saw you I fell down the rabbit hole

(It's the same in the second and third verses)

Chorus:

**D**                      **C**                      **G**                      **D**                      **E**  
Rosie, well I feel your love, I don't want you to leave

**D**                      **C**                      **G**                      **D**                      **E**                      **D**  
You see, you can take your time, roll your stone to me, Rosie

Bridge 1:

**B\***    **E**  
Be careful with me, see I'll make you see,

**B\***    **E**      **B\***      **E**  
You ain't gotta pay for no little Rosie

Bridge 2:

C            Em       D       G  
I wanted you so easily,

C            Em               D            G  
Illusions passed and now I see

C            Em                       D       G    D  
Image is so different to reality, Rosie, oh Ro-Rosie
