[Intro]

Oh you can have it all and wrap it in the world
You can have everything
You can have love and lots of other things
To make you think
But when it all comes down to you girl
Yeah no matter what you do
Take a look at yourself and realize
I ve been good to you
I ve been good to you

[Verse]

Oh no! I didn't mean to say what I did say
All about lovers and how they should lay
That was never for me to say and say
Don't you see now how I pay

[Chorus]

I see the sun rising
And all you see is it fall, fall, fall

[before the second VERSE] C Am Em G
