SOFA SONG - The Kooks

Tabbed by Abe

OK, I've listened to this song far too much over the last few days, but it's given me time to work out the chords.

There's one slightly uncommon chord in the intro: - **G#7sus4**: 464644

[Intro]

G#7sus4 E x3 | **C#m F#**

[Verse]

G#m **B**
The city freeze for
E **B** **D#m**
I just realised I don't like you
G#m **B**
Me and my girl
E **B** **D#m**
Are going out for some air
G#m **B**
And I will do my best
E **B** **D#m**
Just to get under her dress
G#m **B**
And catch you out if I can
E **B** **D#m**
On the other side of my sofa

[Chorus]

G#m B **F#**
Won't you come on over
C#
At the side of my sofa
G#m B **F# C#**
Oh won't you come on over

Then there's a kickass solo over the verse progression, and the rest of the song follows the same chord changes.
