Sofa Song The Kooks

SOFA SONG - The Kooks

Tabbed by Abe

OK, I ve listened to this song far too much over the last few days, but it s given me time to work out the chords.

There s one slightly uncommon chord in the intro: - G#7sus4: 464644

[Intro]

G#7sus4 E x3 | C#m F#

[Verse]

G#m B

The city freeze for

E B D#m

I just realised I don t like you

G#m B

Me and my girl

E B D#n

Are going out for some air

G#m B

And I will do my best

E B D#m

Just to get under her dress

G#m B

And catch you out if I can

E B D#m

On the other side of my sofa

[Chorus]

G#m B F#

Won t you come on over

C#

At the side of my sofa

G#m B F# C#

Oh won t you come on over

Then theres a kickass solo over the verse progression, and the rest of the song follows the same chord changes.
