

**Taking Pictures Of You**  
**The Kooks**

chords by: jozefka

[Verse]

**D**                **Bm**                **F#m**  
I have a secret I want to tell you  
**D**                        **Bm**                        **F#m**  
Each time that I close my eyes I can feel you  
**D**                **Bm**                **F#m**  
I ran away with my imagination  
             **D**                        **Bm**                                        **F#m**  
And I am blinded by your light that s filling up the room

**D**    **Bm**    **F#m**  
Oh...

**D**                **Bm**                **F#m**  
I have a secret I need to tell you  
     **D**                        **Bm**                        **A**  
Exquisite visions fill up my mind

[Chorus]

**G**                                        **A**  
Do you remember me taking pictures of you?  
             **D**                                        **G**  
As the light came through?  
**Em**                                        **A**                        **D**                                        **G**  
You were running away and I asked you for a place to stay  
                     **G**                                        **A**  
Do you remember me taking pictures of you?  
**G**                                        **A**  
Taking pictures of you...

**D Bm F#m**

[Verse]

**D**                **Bm**                **F#m**  
I have a secret I need to tell you  
**D**                **Bm**                **F#m**  
I have been true and I needed no clue  
**D**                **Bm**                **F#m**  
We live in such extraordinary times

**D**                      **Bm**                      **A**  
Exquisite visions fill up my mind

[Chorus]

**G**                                      **A**  
Do you remember me taking pictures of you?

**D**                                      **G**  
As the light came through?

**Em**                                      **A**                      **D**                                      **G**  
You were running away and I asked you for a place to stay

**G**                                      **A**  
Do you remember me taking pictures of you?

**G**                                      **A**  
Such a wonderful thing to do...

**D Bm F#m /x4**

Ends on **A**
