Tesco Disco
The Kooks

[Intro]
A

[Verse]
A
She stands there looking down
 A
Now she don t come around
 D   **A**
High on the wire, a beautiful liar
   A
Tesco Disco made me run
   A
For those warm cans in the sun
        D   **A**
Now you just order the wine and break out a line
    A
Where did you go, sweet Caroline?
  A
The girl I used to know

[Chorus]
C   **G**
  Oh, don t you see now
Am   **F**   **G**
  What you re supposed to do?
C   **G**   **Am**   **F**   **G**
   Yeah, you got it bad sister, the ghosts got the best of you
C   **G**   **Am**   **Em**
  And, oh, don t you notice no one s looking out for you?
F   **C**   **G**
  Yeah you got it bad sister, you do
                    A
I m looking out for you

[Verse]
 A
All the boys you brought back home
   A
They d go out and we get stoned
  D
Just you and I
   A
Laugh Â€Â˜til we cry

```
      A
I miss playing computer games
  A
You d get pissed and call me names
   D
All them coffee stains
        A
Ingrained in my brain
    A
Where did you go, sweet Caroline?
      A
The girl I used to know

[Chorus]
C                   G
  Oh, don t you see now
Am                              F     G
  What you re supposed to do?
C                 G                 Am                      F    G
   Yeah, you got it bad sister, the ghosts got the best of you
C                 G         Am                    Em
  And, oh, don t you notice no one s looking out for you?
F                   C             G
  Yeah you got it bad sister, you do
                        A
I m looking out for you

[Bridge]
Em              D                    A
I can t follow, I can t follow you down
Em                          D                       A
It s your choice it s your life it s the bed that you lay in tonight
Am              G
I don t know him, I never did
        D
He s drowning your voice, he s keeping you here
          Am
I m no good at goodbyes
G                      D
I never was it s time to be leaving because

[Chorus]
C             G
  You don t see now
Am                              F     G
  What you re supposed to do?
C                 G                 Am                      F    G
   Yeah, you got it bad sister, the ghosts got the best of you
C                 G         Am                    Em
  And, oh, don t you notice no one s looking out for you?
```

```
F                    C                G
   Yeah you got it bad sister, you do
                       F
I m looking out for you
F                    C                G
   Yeah you got it bad sister, you do
                         A
There s nothing I can do

[Outro]
A
```
