Watching The Ships Roll In Lyrics by Kooks:

Intro-- Bm G D A Bm

**Bm** **G**  
watching the ships roll in,  
**D** **A** **G** **D** **A - Bm**  
hoping that i , will still be his friend, in the morning  
**Bm** **G**  
watching those ships roll by,  
**D** **A** **G**  
wishing that i, could move this earth,  
**A** **Bm**  
if i could, for you i would do.  
**Bm** **A** **G**  
i got nothing to say,  
**G** **A** **Bm**  
i got nothing to lay at your feet  
**Bm** **A** **G** **A**  
i just keep hoping,hoping, you will be the man,  
**D**  
that I couldn t be....

And So on.....

still watching the ocean move,  
if only i, could show you my soul  
and places Ive been.  
watching the ocean curl.  
and little girls playing in the sand, as Walk.  
longing to listen to u talk.  
i got nothing to say,  
i got nothing to lay at your feet  
i just keep hoping,hoping,you be the man,  
that i couldn t be

i got nothing to say,  
i got nothing to lay at your feet  
i just keep hoping,hoping,you be the man,  
that i couldnt be
