

Watching The Ships Roll In
The Kooks

Am F C
Watching the ships roll in,
Am C F G F C C G Am
Hoping that I will still be his friend, in the morning
Am F C
Watching those ships roll by,
Am C G F G
Wishing that I could move this earth, if I could,
Am
For you I would do.

G F G Am
But I ve got nothing to say, and I ve got nothing to lay at your feet
G F G C C G Am
I just keep hoping, hoping, you will be the man, that I couldn t be.

Am F C
Still watching the oceans move,
Am C F G F C C G Am
If only I could show you my soul, and places I ve been,
Am F C
Watching the ocean curl,
Am C G F G
And little girls playing in the sand as I walk,
Am
Longing to listen to you talk.

G F G Am
But I ve got nothing to say, and I ve got nothing to lay at your feet
G F G C
I just keep hoping, hoping, you will be the man, that I couldn t be.
