Watching The Ships Roll In The Kooks

Am F C

Watching the ships roll in,

Am C F G F C C G Am

Hoping that I will still be his friend, in the morning

Am F C

Watching those ships roll by,

Am C G F G

Wishing that I could move this earth, if I could,

Am

For you I would do.

G F G Am

But I ve got nothing to say, and I ve got nothing to lay at your feet

G F G C C G Am

I just keep hoping, hoping, you will be the man, that I couldn t be.

Am F C

Still watching the oceans move,

Am C F G F C C G Am

If only I could show you my soul, and places I ve been,

Am F C

Watching the ocean curl,

Am C G F G

And little girls playing in the sand as I walk,

Αm

Longing to listen to you talk.

G F G Am

But I ve got nothing to say, and I ve got nothing to lay at your feet
