Window To The Soul

Em C

Along behold you

Em C

Ten thousand years of evolution bonds you but

Em C Am Bm

When was the last time that u did something you believed in?

Em C

Modern ways often fool us

Em C

It s so easy just to sit and watch a movie

Em C

But the world waits while I weep

Am Bm

So I, I wouldnt lie to you

C Bm

I see the moon and the stars kaleidoscope

Am Dm

Just like your eyes

Em A Em

It s a window to the soul

A Em A

Window to the soul

A Em 2x

Em C

I said I see retribution

Em C

After us even after revolutions

Em C

The intravenous drip to the problems

Am Bm

That I, I never believed in

Em C

I said I see information is

Em **C**
far much bigger Than our biggest nations

Em **C**
And the world talks when I talk

Am **Bm**
So I, I wouldn't lie to you

C **Bm**
I see the moon and the stars kaleidoscope

Am **Dm**
Just like your eyes

Em **A** **Em**
It's a window to the soul

A **Am** **Em**
It's Window to the soul

A **Am** **Em**
It's Window to the soul

A **Em** **A-Em-C**

C **Am**
And I know that they'll be on to me

C **Am** **Em**
For every penny that I've got to my name

C **Am**
I say I know that they'll be on to me
But I'll be holding on
I'll be holding on to you

Bm **C**
And oh yeah that's why I'd never lie to you

Am
You know I see the moon

Bm
It's no brighter than you

Dm **Am**
And it makes me cry

C **Em**
It's a window to the soul

A **C** **Em**
See the window to the soul

A **Em** **A**
And yes I believe in a soul
