Perfect Hostess The Korgis

## D

```
Amaze your friends
Search high and low
C
Out in the pouring rain
D
Where freedom runs
And darkness grows
С
Talk about anything
Bm
             вb
You re in the know
           G
                   F/A
Am
                               D
                                      Am
You are the perfect hostess, the modern wife
            G
                   F/A
                                      D
                                              Am
You and your Carmen rollers, they come out at night
          G
                F/A
                                D
                                       Am
Don t ever get excited, let them all believe
           G
                   F/A
You are the perfect hostess
Am
           G
                   F/A
You are the perfect hostess
F/A
D
Amaze your friends
You re lots of fun
С
Smiling at everyone
D
Just be yourself
You hold your own
С
Talk about anything
Bm
            вb
You re going home
Am
           G
                  F/A
                               D
                                       Am
You are the perfect hostess, the modern wife
            G
                  F/A
                                      D
                                              Am
You and your Carmen rollers, they come out at night
          G
               F/A
                                D
                                      Am
