Written by Lee Mavericks

Chords used:

G: 320033
C: x32010
D: xx0232
F: 133211
Fmaj7: xx3210

G C G

G **D**
The melody always finds me
F **C**
Whenever the thought reminds me
G **D** **F** **C**
Breaking a chain inside my head
G **D**
The melody chord unwinds me
F **C**
The rhythm of life unties me
G **D** **Fmaj7**
Brushing the hands of time away

G **C**
If you look in your mind
G **C**
Do you know what you will find?
C
Open your mind...

G **D**
Even the words they fail me
F **C**
Oh look what it s doing to me
G **D** **F** **C**
I never say what I want to say
G **D**
It s only a word believe me
F **C**
If only the word could see me

G **D** **Fmaj7**

I promise I d send the world away

If you look with your eyes
Do you know what you will find?
Open your mind

G C G F C

(guitar solo)

G C G

The melody always finds me
Whenever the thought reminds me
Breaking a chain inside my head
The melody chord unwinds me
The rhythm of life unties me
Brushing a silent child away

If you look in your mind
Do you know what you will find?
Open your mind

C

Open your mind
Open your mind
