

**Poison Kiss**

**The Last Goodnight**

CAPO 5th FRET

**G D Em C** - ALL THE WAY THROUGH

Dunno I think it sounds alright

**G D**

Your eyes don t lie

They give you away

**Em**

You say, you say

**C**

Everything is different today

**G D**

Your footsteps fall, all over the place

**Em**

You re up, you re down

**C**

A butterfly caught in the cage

[Pre-chorus]

**G D**

I don t know why I needed you more

**Em C**

I don t know how, you got through the door

**G D**

I don t know where you were

**Em C**

But back and forth, back and forth

[Chorus]

**G D**  
This is the last goodbye I m ever gonna say

**Em C**  
This is the last goodnight I m ever gonna waste

**G D**  
This kiss is poisonous

**Em C G**  
If you can t control the way, it enters your soul

**D Em C**  
One love, one life, one love is better than you tonight

The same for the rest:

Sunday driver, you never get far  
You call, you call, everyone is juggling hearts

You think that you never make a mistake  
You say, you say, everyone else is to blame

[Pre-Chorus]

[Chorus]

The devil inside I see your eyes changing,  
Green to white  
There is nowhere to hide, inside I feel the same,  
I feel the same way too

Your eyes don't lie  
They give you away  
You say, you say  
Everything is different today

[Chorus]

This is the last goodbye I'm ever gonna say  
This is the last goodnight I'm ever gonna waste  
This kiss is poisonous  
(one love)  
If you can, control the way, it enters your soul  
(one love)

One love, one life  
(enters your soul)  
One love is better than you tonight  
(enters your soul)  
One love, one life  
(enters your soul)  
One love is better than you tonight  
(enters your soul)
