Bm F#m
I can still remember when your
Bm F#m
city smelt exciting
Bm A
I still get a whiff
C#
Of that aroma now and then
Bm F#m
Burglary and fireworks
Bm F#m
The skies they were alighting
Bm A
Accidents and toffee drops
C#
And thinking on the train

[Refrão]

Bm F#m
Oh, he was young, in the frost
C#m F#m
No regard for the cost
Bm
Of saying his feelings
A C#m F#m
In the moment they were felt
Bm F#m
And if he was calm like you
C# F#m
Locked up inside of your loops
D
Then he d know for well
Dm
That all he had to say was
F#m
All he had to say was goodbye

[Segunda Parte]

Bm F#m
Summertime made promises
Bm F#m
It knew it couldn t keep
Bm A
The fairytale was climbing up
C#
A mountain far too steep
Bm F#m
Colouring the pictures
Bm F#m
With your loyal hand
Bm A
Now I am craving heartbreak
C#
While you re making your demands

[Refrão]
