Em 022000

C x32010

F x33210

Intro:

Em **C**

Em

Verse:

Em

There she was

C

Graciously making forever less terrifying

Em

And you ve got the nerve

to intervene

C

with a coloring book and a byro and a point to prove

Em

And now you want a word

Break:

Em **C** **Em** x2

Chorus:

C **Em**
And you washed all the wisdom out your mouth
C **Em**
and the gas danced on the edge of your bottom lip
C **Em**
Quick to scurry back behind the night
C **F** **Em**
To avoid the silent fight and the struggle

Verse:

Em
There I was
C
Panicking because someone else kissed me in a dream
Em
and it was on the cheek

And you stamp your feet
C
and I m moving from bored to appalled by these poignant fumes
Em
that you must inflict

Chorus:

C **F** **Em**
And you washed all the wisdom out your mouth
C **F** **Em**
and the gas danced on the edge of your bottom lip
C **F** **Em**
Someone told me that that stench was called advice
C **F** **Em**
Someone told me that that stench was called advice

C F Em

Break:

Em

Verse:

Em
Took a solid breath

To a little rip
C
I ve got to carry your broach to cover that hideous stitch
Em
All that grim repair

and we re all upset

See the fear in your cheeks

C

and I still smell the lies on your breath

Em

And your jokes don't bounce

C

Em

and you've entered the early stages of bitterness

Solo:

C F Em x4

Chorus:
