

The Dream Synopsis
The Last Shadow Puppets

[Intro] E E5+ E E5+

Well we were kissing, it was secret
We d had to sneak beyond the kitchen
Both well aware that there d be trouble
If the manager should find us
You d got a leaning tower of pint pots in your hand
You can carry much more than I can

And a wicked gale came howling up through
Sheffield city centre
There was palm tree debris everywhere and a roman colosseum
Isn t it boring when I talk about my dreams

I m in a building and I notice
That I m surrounded by the ocean
I get a feeling, I start running
Don t really know why I am running
I never really know why I am running
Til I get caught
Want to wake up to my dream report?

And the snow was falling thick and fast
We were bombing down Los Feliz
It was you and me and Miles Kane
And some kid I went to school with
