

**Tonight I Love You**  
**The Latency**

Intro: **C F G D, C F D G Cadd9**

**C**

It s a beautiful night and I m opened up

**F**

The look in your eyes says so much

Nothing can touch us out here

**G**

Don t know where we are but I know I see

A beautiful girl walking next to me

**Cadd9**

I need to hold you, my dear

**G D Cadd9**

Let s just take tonight, tonight slow

**G D Cadd9**

Cause I want to see where this, where this goes

I need you

**C**

I d give you today but it s not mine yet

**F**

I ll ask you to stay here with me ~till then

**G**

I think I m falling for you

**G D Cadd9**

(falling for you, I need you)

**C**

I just want to look in your eyes and see

**F**

All that you have looking back at me

**G**

I think tonight, I love you

**G D CADD9**

(I love you)

**C**

Tell me the chance hasn t passed us by

**F**

Cause baby, the stars have never shined so bright

**G**

Nothing can stop us out here

**G D CADD9**

Let s just take tonight, tonight slow
