

Dust On The Dancefloor
The Leisure Society

This is my first tab, hope it's accurate !

Capo 3

Intro : **A E** (x4)

Verse :

A **E** **A** **E**
The tide behind the eyes that never shut

A **E** **A** **E**
The restless legs that never loosen up

D **A**
Oh the sweet swell of the blood

D **A** **E**
Though the heart aches she was not made to love

A **E** **A** **E** **A** **E**
Another summer wasted on a boy

Verse :

A **E** **A** **E**
When shadows leech the colour from your skin

A **E** **A**
And team by team we split and start again

D **A**
Let the old, cracked mirror-ball

D **A** **E**
Spread the spotlight from the bar to the door

A **E** **A** **E** **A**
And visualise the roles you never played

Chorus :

E **F#m**
Brave words die on your lips

A **D** **E**
In the wake of relationships

E **F#m**
Eternal passers by

A D E
With the reek of repeat on our hides

D E7 D
But we re reaching out from every fall

F#
Relief

G
Beneath

C E7 A
The dust on the dancefloor

Verse :

Reflecting now his life is where he sits
An epitaph falls flat between dry lips
What a great day for demise
What a long road I have walked, just to die
To fall apart the way that people do

Chorus :

E F#m
Brave words die on your lips

A D E
In the wake of relationships

E F#m
Eternal passers by

A D E
With the reek of repeat on our hides

D E7 D
But we re reaching out from every fall

F#
Relief

G
Beneath

C E7 A
The dust on the dancefloor

D E7 D
Yes we re reaching out from every fall
