3-9-4 (B. Deily)

Circle of street light, rain on a windshield  
Seeing you for the last time  
Eyes on the bus stop not in the window  
Seeing you for the last time  
My life had stood a loaded gun  
Cornered till a day the order passed  
Identified and carried me away  
Do you understand how it ends now  
Circle of dark  
The rain that won t stop  
Eyes on a bus stop  
Do you understand how it ends now
