

Different Drum
The Lemonheads

I ve seen a lot of tabs for this song, but none sounded quite right.
So, I worked it out. It may be slightly different (also that riff over
the verse I didn t know), but this is pretty much it.

Intro: **E C#m A B E C#m A B**

The intro lick is something like this
(There might be some dual note stuff going on too):

```

e-----|
b-----|
g--4---4---6-4-2-----|
d-----6---6-----6-4-----|
a-----|
e-----| x2

```

E C#m A B E C#m
You and I travel to the beat of a different drum
A B E C#m
