The D Am G -parts are probably played like this:
(NB! This representation does not reflect the rhythm of the strokes)

```

      D              Am              G
E--0-----5---0--0--0---0---7---0--0--0--3-
B--3/7---7---7--7--7---0---0---0--0--0--0-
G--3/7---7---7--7--7---5---5---5--5--5--0- ....
D--0-----0-----7-----7-----0-
A-----0-----0-----2-
E-----3-
      ^      v   v   ^   v   ^      v   v   ^   v   ^   ....
```

(^ = downstroke, v = upstroke, / = slide)

(If you are having problems playing the above chords remember to
use pinky and ringfinger for B and G strings on D chord when sliding.)

(D Am G) x 2

```

D              Am              G
Got me watching your eyes watching things go by outside
D              Am              G
out the window of a train
D              Am              G
easy sipping them just seeing it fly left to right
D              Am              G
```
