HOW MUCH I VE LIED(written by Gram Parsons)
from the Heavy Soundtrack

From: DevnGreen@aol.com

here s How much i ve lied from the Heavy sndtrk, i think its in a different
key than how he does it on the soundtrack but matches well with a live cd i
have.like usual if ya have any other suggestions please let me know.

G D G C
darling there is something i must tell you must know
Em C D
but its so hard to say the words i feel
C G G C
this fancy that i m on has been going on too long
Em C D
its time we stop pretending things are real
G D G C
cause i ve been living deep in sin, i ve been living blind
Em C D
and i can t really tell whats right or wrong
C G G C
to take a chance on losing you was such a silly thing to do
Em C D G
the chance i might wake up and find you gone
C G G C
blue so blue my love is burnin blue
Em C D
any bright flame would be a lie
C G G C
blue so blue my love still burns for you

Em **C** **D**
 but i know that i ll only make you cry
G **D** **G**
C
 a thief can only steal from you he can not break your heart
Em **C** **D**
 he ll never touch the precious things inside
C **G** **G** **C**
 so one like you should surely be miles and miles away from me
Em **C** **D**
 then you d never care how much i ve lied
C **G** **G**
C
 so try to understand the pain it takes so long when i explain
Em **C** **D** **G**
 but please don t you forget how much i ve lied
