MAD (E. Dando)

I don t know what to say to you  
I wish you had something to add  
I feel that we could sit and talk  
but we don t and it makes me mad

You go on, just get out of here  
I think I d feel a whole lot better  
If you d let me be  
I ll stay here thinking of your plans  
I hate the way you make me love jealousy
