

My Drug Buddy
The Lemonheads

I have added chord shapes that I think are more accurate...
see what you think sounds best.
Chords:

--**F**---or-or--**Gm**-----**D5**-----**Bb6**

e-5---5--5---3-----5-----3
B-6---6--6---3-----3-----3
G-5---5--5---3-----2-----3
D-7---7--3---5-----0-----3
A-8---X--X---X-----X-----X
E-5---X--X---X-----X-----X

F **Gm**
She s coming over
D5 **Bb6**
We ll go out walking
F **Gm** **D5** **Bb6**
and make a call on the way

She s in the phone booth now
I m looking in
There comes a smile on her face

Still got some of the same stuff we got yesterday
Still got some of the same stuff we got yesterday, yeah

I m too much with myself
I want to be someone else
I m too much with myself
I want to be someone else
I m too much with myself
I want to be someone else

So we take off
at Fiona s door
Walkin till its light outside
Like before when we were on the phone

We have to laugh to look at each other
We have to laugh because we re not alone
As the cars fly up King St.
It s enough to startle us
It s enough to startle us

I love my drug buddy
My drug, my drug buddy

I love my drug buddy
My drug, my drug buddy
