REST ASSURED

One of the reasons I came all this way
Two opposite seasons had to hear you say
You were gonna hang around a while
I notice my old postcard in a pile:

pepper salt sugar and tarragon
we re hanging by the pool
mortar bricks and aluminum
step one figure two
I know it s probably not my place
watch the water drain a different way

if I could you know I d try to
rest assured I ve half a mind to
rest assured I ve half a mind to
if I could you know I d try to

{solo}

pop it to lock it
come on let s map it out
it s not what you do to me
it s what you do without
it s what you do without
pop it to lock it
come on let s map it out

if I could you know I d try to
rest assured I ve half a mind to

rest assured I ve half a mind to
ask the other half if I might
rest assured
