Subject: CRD: The Great Big No - Lemonheads

Here s pretty well all the chords for The Great Big No from Come On Feel
the Lemonheads. NB the chords shown are for my convenience and need to be
played with a capo at the 3rd fret to keep the right key, if you care
about stuff like that. I use a C/G chord cos it sounds right but you
could equally well play a straight C and, who knows, maybe thats what
they re playing on the track itself.
