UHHH

Chords interpreted by Marcel Roy (meroy@cc.memphis.edu)

Notes: This cheery li l song is fairly easy; just two riffs (one for verses, one for choruses). Alternate between two-note root-fifth power chords and (inverted) third-root power chords, and you got it.

Suggested chord voicings:

```
E5      x79xxx          B/D#      x69xxx
A5      57xxxx        E/G#      47xxxx
B5      79xxxx
```

Intro (same as verse riff):

```
E5          B/D#  E5  B/D#
A5          E/G#  A5  E/G#
E5          B/D#  E5  B/D#
A5          E/G#  A5  E/G#
```

```
E5          B/D#  E5  B/D#
I know a girl, and she s
A5          E/G#  A5  E/G#
all that I love in the world
E5          B/D#  E5  B/D#
and I don t even know
A5          E/G#  A5  E/G#
what she s thinking now
```

```
B5
If I could be with
```

A5 E/G#, A5 E/G#, A5 E/G#
her tonight
B5
I know the arguing
A5 E/G#, A5 E/G#, A5 E/G#
and the spite

We d shout together and fight
about whatever was wrong
or what s right, it seems
that doesn t matter, but

If we could slow down
and listen hard
Stupid arguing
disregard

Love is heat with a light
love s a sound you can t hear
When we re far far apart,
when we re too near

If I could show you
the picture in my heart
If I could stop the words
before they start....

(repeat verse riff)

(repeat chorus riff)

End on E5.
