

**Best Of Me**  
**The Letter Black**

Best Of Me

tuning: capo 3

Verse 1

**C** **Em**  
If I could find yesterday

**G** **D** **Em**  
I would take You back to where I m coming from

**C**  
â€™Cause You can see the way

**G** **D** **Em**  
All these scars have kept me running

**C**  
And chasing down the past

**G** **D**  
But I m not done, I m turning back

Pre-Chorus

**Em** **C** **G** **D**  
I swear, You re the only reason I keep breathing

**Em** **C** **G** **D**  
I swear, You keep on giving me the reason to keep believing

Chorus

**Em** **C** **G**  
Finally I m worth it, though I m not perfect

**D** **Em** **C**  
It still feels right, and I keep on giving

**G** **D** **Em**  
Trying to make a difference, in my life

**C**  
But I know another way to show

**G** **D**  
Everything I can be for You

**Em**                    **C**   **Em**   **D**  
You re all that I ll ever need

**Em**                    **C**        **Em**        **C**        **G**        **D**  
I ll give you the Best of Me

Verse 2

**C**                                    **Em**  
If I could read tomorrow s mind

**G**                                    **D**                                    **Em**  
I would know exactly where You re taking me

**C**  
If I m going to slip away

**G**                                    **D**                                    **Em**  
Or if I stay and give You all my trust

**C**  
You will keep me safe

**G**                                    **D**  
I know You won t let me fade

Pre-Chorus

Chorus

Bridge

**Em**                                    **C**  
Oh, I know I believe it

**G**                                    **D**                                    **Em**  
No, I will be turning around

**C**                                    **G**  
I want to know You now

**D**                                    **Em**  
Your Love it won t let me down, no!

Pre-Chorus

Chorus X2

Outro

**Em**                    **C**                                    **G**                                    **D**  
I swear, You re the only reason I keep breathing

**Em** (hold)

I swear...

i believe this is fairly accurate.  
Enjoy!
