You walking like you never seen the light
you walking like it every night
F#
but I never seen you dance and I never heard you sing
G#
                         C#
so how can it mean a single thing?
(C#, F#)
(it s all so rudimentary)
(C,B,C#) E
Ε
You talking like you handy in a fight
you talk about it every night
but I never seen your flowers in the barrel of a gun
G#
all I ever seen you do is run...not a rude boy you re the gentry
            Е
                   G#
so tell me baby, how does it feel?
C#
I know you like the roll of the limousine wheel...
                         G#
and they all get them out for the boys in the band (only for the boys in the
band)
                       G#
they scream and they shout for (twist and scream and shout)
for the boys in the band, the boys in the band...
(C#, E)
you walking like you never seen the light
walking like it every night
F#
but i never seen you laugh and I never heard you cry,
G#
one of those things that darling you might try
```
