B
From way far across the sea
F#
Came an eritsean maiden she
G#m
Had a one track mind and eyes for me
G#m
Half blinded in the war
C#m
With a pale young anglican

F#
Who said he d help her all he can
B E
Showed her Jesus and his little un-holy friend
C#m
She had no mind to please him
F# B
Just say ta-ra and leave him behind

B
There s a little boy in a stairwell who say
F#
I hate people like you
G#m
Got matches & cable TV half of less than 50p
C#m
We all clambered over the balcony
F#
Banging on the window waking steve
B E
Bringing with a new love his un-holy friend
C#m F# B
If you really need it you mustn t leave it behind

(Refrão)

B E
Please kill me no don t kill me
F#
But don t bring that ghost round to my door
Gm
I don t wanna see them anymore

B E
Please kill me no don t kill me
F#
But don t bang on about yesterday
I wouldn t know about that anyway

B
Monkey asked the mouse before
F# G#m
If she loved anybody more than he
It turns you into stone
C#m
Now i m reversing down this lonely street
F# B

To a cheap hotel when i can meet the past

E

And pay it off and keep it sweet

C#m

It s sweet like nothing all

F#

B

It s sweet like nothing at all

B

F#

Yes i ve seen you there how could i help but stare

G#m

It rips the heart out off your body

C#m

Now i ve taken far too much to think

F#

B

Or see or touch what s real i m stranded on this street that

E

Paved my only way home

C#m

F#

B

You really need it you just won t leave it behind
