

**Do You Know Me**  
**The Libertines**

The Libertines / Babyshambles - Do you know me?

Intro **Dm F C**

**Dm F C Dm F C**  
Do you know me? I don't think so!  
Do you know me? I don't think so!  
You romanticize the dark and gloomy past  
Trying to escape from the underclass  
You darkened the bright and beautiful day  
You're breaking my heart in every way

**Gm A**  
And tell me everything is dandy and fine  
You're no friend of mine

**Dm F C**  
I took you in and you stole from me  
But you still got everything I need  
You're walking so tall, you're looking so mean  
You're walking so tall, you're looking so mean  
But you tell me everything is dandy and fine  
You're no friend of mine

(I've heard a few versions where they put in another verse here but I can't remember the lyrics. Sometimes they play it without the extra verse.)

Do you know me? I don't think so!  
Do you know me? I don't think so!  
You romanticize the dark and gloomy past  
Trying to escape from the upper class  
You darkened the bright and beautiful day  
You're fucking up my head in every way

And tell me everything's dandy and fine  
You're no friend of mine
