

**Last Post On The Bugle**  
**The Libertines**

[Chorus]

**Gm** **F**  
If I have to go  
**Bb** **D** **Gm**  
I will be thinking of your love  
**F**  
Oh, Somehow you will know  
**Bb**  
You will know  
**D**  
thinking of your love

[Verse 1]

**Cm** **F**  
Slyly they whisperered away  
**Bb**  
As I played the last post on the bugle  
I heard them say  
**Cm** **F**  
That boy s no different today  
**Gm**  
Except in every single way

[Chorus]

**F**  
If I have to go  
**Bb** **D** **Gm**  
I will be thinking of your love  
**F**  
Oh Somehow you will know  
**Bb**  
just know you ll  
**D**  
Thinking of your love

[Verse 2]

**Cm** **F**  
Oh, I was carried away  
**Bb**  
Caught up in affray  
And as they led him away, he sang  
**Cm** **F**  
We ll meet again some day  
**Gm**  
Oh my boy, there s a price to pay

[Chorus]

**Gm** **F**  
 If I have to go  
**Bb** **D** **Gm**  
 I will be thinking of your love  
**F**  
 Oh Somehow you will know **Bb**  
 I don t know how but you will know  
**D**  
 I ll be thinking of your love  
**Gm** **Bb**  
 la la la la lalalalala  
**F** **Gm**  
 la la la la lalalalala  
**Gm** **Bb**  
 la la la la lalalalala  
**F** **Gm**  
 la la la la lalalalala

[Bridge]  
 Inside I felt  
 So, so alone  
 Locked in a room  
 Waiting til kingdom come  
 Although I felt elated  
 I felt like I was scum

[Verse 3]  
**Cm** **F**  
 I was carried away  
**Bb**  
 Caught up in an affray  
 They let him away, he sang  
**Cm** **F**  
 We ll meet again some day  
**Gm**  
 Oh my boy, there s a price to pay

[Verse 4]  
**Cm** **F**  
 Feels like I ve never been away  
**Bb**  
 Though it s been longer than I could possibly say  
**Cm** **F**  
 I ve been wandering the market  
**Gm**  
 Carrying a sign, saying the end of...  
**Cm** **F**  
 The world is nigh  
**Bb**  
 I m glad to see we re still tight  
**Cm** **F**  
 The bonds that tie a man are tight

**Gm**

Yet we do what we do  
With ritual hability  
All through the night
