

**Mocking Bird**  
**The Libertines**

This is the Intro to Mocking Bird - A B side on the single, Dont Look Back into the sun

```

e -----
B --9--7--5--3hh55--9--7--5--3h55--3--2-----
G -----2--0--
D -----
A -----
E -----

```

chords after this is  
continously struck

```

Em          Em          A          Em
I won me a mocking bird, mocking bird a mockingbird
Em          Em          A          Em
I won me a mocking bird when i gambled all night long
Em          Em          A          Em
Mocking Bird was a talking bird squaking all night long

```

(For next part only strike once)

```

Em
I tried for the Money
Em
I was not able
A
Had two more drinks
A
And then i Slipped under the table

```

Then back to the Em, Em, A, Em part

pretty easy after you listen to it your get the hang of it straight away
