RADIO AMERICA

the verse has two chords: D AND A CHORD I DON T KNOW THE NAME OF (I THINK D dim)
let me know if you know what its called, but play it like this:

e-3rd frete, b string 2nd frete, g string 3rd frete, d string 3rd fret (dont
play bottom 2 strings)

(repeat **C#** and **C#dim**)

If i get the call i will call across Radio America
Right across america i will call
Yes i will call all across Radio America
Right across america i will call

D Em F#M G F#M G F#M EM D---BACK TO VERSE

If call i must do to take my love my love to you

There a lovely young girl on?

And all across Africa, China and Australia

Call you down in New Mexico, New Brighton and Tokyo i will call

If call i must do to take my love my love to you

F# G# C#

For well it may hap that these are they

C#, C, B Bb

Your happiest days

D--(VERSE)

Oh my good old friend i see you chanced your arm again

the red faced president

Took afternoon tea with her mejesty the queen

And they watched old films flicker across the old palace movie screen

Crying what a shame as Julie slipped in the rain

The poor dancing girl she wont dance again

And they said it was a transmission to take my love my love to you
