Now an outline is all I can see

**D** **BM**  
Oh skint and minted  
**G**  
Had it on the dole  
**A**  
Being piling it on now  
**D** **BM**  
Oh skint and minted  
**G**  
Running round the city  
**A**  
With nothing on

Well you re an evil swine but I like your style  
The wiggle in your walk and the silver in your smile

VERSE)

**D** **G**  
You got it right, no you got it wrong  
**D** **G**  
Live outside your head, live inside a song  
**E** **F#** **G** **A**  
Oh love, these long lost weekends falling over me  
**E** **F#** **D**  
Now an outline is all I can see

CHORUS)

**D** **BM**  
We re skint and minted  
**G**  
Had it on the dole  
**A**  
Being piling it on  
**D** **BM**  
We re skint and minted  
**G**  
Running round the city  
**A**  
With virtually nothing on

Oh, you re a swine but I like your style  
I like wiggle in your walk and the silver in your smile
