```
G                                     B
They just don t make that kind of license anymore
      C
That way of life anymore
      Cm
That type of world anymore
```

```
G                                     D
What you ve done, get out of my dreams you scum
      Am
They weren t meant for anyone
      Cm
They weren t meant for anyone but me
```

```
G
In my cinematic mind
      B
I see battles fought at sea
      C
I awake in dawn s empire
      Cm
It must be lonely being you being me
```

```
G                                     D
What you ve done, get out of my dreams you scum
      Am                                     Cm
They weren t meant for anyone but me
G                                     D
```

What you ve done, I just get so over-run
 Am Cm
 Impossible dreams they come for me... For me

G C

G
 It s for the worlds they never see
 This beatific revelry

C
 By windswept kisses heavens rave
 Lovers rise and fall and fall and rise again

G D
 What you ve done, get out of my dreams you scum

Am Cm
 They weren t meant for anyone but me

G D
 What you ve done, I just get so over-run

Am Cm
 These unthoughtful dreams they come for me

G D
 What you ve done, get out of my dreams you scum

Am Cm D D# F G
 They weren t meant for anyone but me... but me
