

Control The Flame
The Lightning Seeds

THE LIGHTNING SEEDS: Love Explosion

Intro: **A**

A
Just give me more than I could ever wish for

F
Give me more than I could ever hope to take

G A
In one day, ok

There s always someone who can make me shiver
Always someone who can melt the feel of ice
On my spine, in the night

E into chorus

A C D F G
Can t control control the flame, but who the hell would want to calm this fever
Can t control control desire but who the hell d want to stop it now?

I hear the thunder and my mind can t reason
Going under as it dances on my spine
Hold me tight, hold me tight
There must be someone who could kill this fever
But now and then I feel the fever rise and rise
Burning bright in the night

F
Night and day the heat is on, fever burns

F
Something strange is going on and it makes me burn and burn
