THE LIGHTNING SEEDS: God Help Them

Intro: **C F**

C F
The storms of life will pass away as I walk beside my holy of holies
C F
The northern lights that held my gaze were heaven in those hellish days
G F
And once I longed to taste them all

C G
God help them when they find out
F Dm C G
That s what life is all about
And God help us when we find out
That s what love is all about

The words have died upon our lips, the winds have blown disaster upon us
All my life I ve braved these thorns and weathered out the blackest storms
But once I longed to taste them all

C F
Since that day, you re all I ve prayed for
C
We re bought and paid for
G
But it cost us both more
