THE LIGHTNING SEEDS: Tingle Tangle

Intro: A D E (Note Emsus4: 0 2 2 2 0 0)

A D E

The tingle as you spin that web of lies
Leads to a tangle that hurts the more you try

A D Emsus4 E

Fighting in the bathroom, holding back the tears can make you blind
Screaming at the new moon to swallow up the sky

Only time can melt the ice cream clown
And frozen tears come pouring down

The tingle as you first look in those eyes
Leads to a tangle of paper chains for life

A D

Now do you feel the same way too?

A D

After all this time, could you feel the same way too...

E

...could you?

D

I ve had enough of paper lies

E D A

A giant breath could blow the whole world down
