Whos Gonna Save Us
The Living End

Verse 1

```
F#            C#
It s all around me and
F#                    C#
I just don t understand
Ebm       B                F#
Seems all out of place now
Ebm      B
And I know it s late
Ebm                 Bbm           B
But you know what they say now

F#                    C#        F#
We re under attack now
                      C#        Ebm
Our work is all cut out
                 B                F#
Whatever happened to your rights?
Ebm       B
And I know it s late
Ebm                  Bbm          B
But you know what they say now
```

Chorus

```
        F#              C#        F#          C#
So where s the writing on the wall
Ebm             B       F#
Who s gonna save us?
Ebm                     B
Who s gonna provide us?
Ebm                Bbm
Who s gonna divide us?
B
Who s gonna save us?
```

Verse 2

```
F#                      C#
We re under powered now
F#             C#
Trial devoured now
Ebm                  B                  F#
Step aside make way for the new leader
Ebm        B
And it s getting late
```

```
Ebm                       Bbm              B
But you know what they say now

Whoâ€™s gonna save us?

Chorus

        F#               C#        F#          C#
So where s the writing on the wall
Ebm                 B        F#
Who s gonna save us?
Ebm                      B
Who s gonna provide us?
Ebm                    Bbm
Who s gonna divide us?
B
Who s gonna save us?

BRIDGE/SOLO CHORDS

D          A         D         A

Bm         G         D

D          A         D         A

Bm         G         D

F#          C#         F#         C#

Ebm         B         F#

Ebm         B

Ebm          Bbm          B

Verse 3

F#            C#
It s all around me and
F#                   C#
I just don t understand
Ebm       B              F#
Seems all out of place now
Ebm       B
And I know it s late
Ebm                    Bbm             B
But you know what they say now

Chorus/End

        F#                 C#            F#           C#
So where s the writing on the wall
```

```
Ebm                    B        F#
Who s gonna save us?
Ebm                         B
Who s gonna provide us?
Ebm                Bbm
Who s gonna divide us?
B                                        C#
Who s gonna save us?

        F#                        C#        F#          C#
I m looking for the writing on the wall
Ebm                    B        F#
Who s gonna save us?
Ebm                    B
Who s gonna provide us?
Ebm                         Bbm
Who s gonna divide us?
B
Who s gonna save us?
```
