Chorus:

C **G** **C**
you never need nobody
C **G** **D**
you ve never been alone
 C **Am**
and i try to get your affection
 C **D** **G**
and all i ever do is wrong

Verse 1:

G **C**
You could break a heart in your sleep
 G **C** **D**
yeah the way you move makes a grown man weep
 G **C**
they all line up at your door
 G **D**
sayin please, please i cant take no more

Chorus:

C **G** **C**
you never need nobody
C **G** **D**
you ve never been alone
 C **Am**
and i try to get your affection
 C **D** **G**
and all i ever do is wrong

Verse 2:

G **C**
you could calm a storm with your tone
 G **C** **D**
and the way you sing makes the mockingbird hum
 G **C**
the grass you walk on gives way
 G **D**
saying please please come back this way
