Cool Guys Donâ€™t look at explosions

The lonely Island
G   F#/**D   G   Em** X2 Intro

G   F#/**D   G   Em**
Seems like these days the whole world s on fire
Things keep blowing the hell up
And while all those rubber neckers and lucky louies stand and slackjaw s staring

The real men have the nuts to walk away

Yeah
G   F#/**D   G   Em**
Cool guys don t look at explosions
They blow things up and then walk away
Who s got time to watch an explosion
Cause cool guy s errand s that they have to walk too

C   **D**
Keep walking, keep shining
Em
Don t look back, keep on walking
C   **D**
Keep struttin , slow motion
Em
The more you ignore it, the cooler you look

Ladies and gentlemen
Please join me in welcoming, Mr. Neil Diamonds
Ha ha ha, where are we

Cool guys don t look at explosions
They stride forward in their diamond covered boots
They wear jumpsuits with glitter and rhinestones
And walk away in slow motion..

Keep walkin, you re cruisin..

Cherry Cherry...Sweet Caroline..
Denzel walks...
Will Smith walks...
Mark Wahlberg is wearin a hat!

Keyboard solo, JJ Abrams!

Yeah!

Now you re talkin

Woohoo!

Okay

Because, Cool guys don t look at explosions
The flames are hot but their heart is chilled
Walk fast from the boring explosion
And don t think about the people you ve killed

Two, three four!

Aaaaaaaahh.....
