F	G
Lock eyes from across the room	
Am	
Down my drink while the rhythms boom	
F	G
Take your hands, skip the names	
Am	
No need here for the silly games	
F	G
Make our way through the smoke and crowd	
Am	
The club is the sky and I m on your cloud	
F	G
Move in close as the lasers fly	
Am	
Our bodies touch and the angels cry	
F	G
Leave this place go back to yours	
Am	
Our lips first touch outside your doors	
F	G
The whole night what we ve got in store	
Am	
Whisper in my ear that you want some more	
F	G
And I jizz in my pants	
F	G

This really never happens you can take my word

Am

I won't apologize, that's just absurd

F

G

Mainly your fault for the way that you dance

Am

And now I jizz in my pants

F

G

Don't tell your friends or I'll say you're a slut

Am

Plus it's your fault, you were rubbing my butt

F

I'm very sensitive, some would say that's a plus

Am

Now I'll go home and change

(carry on with this rhythm)

I need a few things from the grocery

Do things alone now mostly

Left me heartbroken, not looking for love

Surprise in my eyes when I looked above

The checkout counter and I saw her face

My heart stood still so did time and space

Never thought that I could feel real again

But the look in her eyes said I need a friend

She turned to me that's when she said it

Looked me dead in the face, asked cash or credit

And I jizzed in my pants

It's perfectly normal

Nothing wrong with me

But we're going to need a cleanup

On aisle 3

And now I'm posed in an awkward stance

Because I jizzed in my pants

To be fair

You were flirting a lot

Plus the way you bag cans makes me

Bothered and hot

Please stop acting like you're not impressed

One more thing

I'm gonna pay by check

Last week, I saw a film

As I recall it was a horror film

Walked outside into the rain

Checked my phone and saw you rang

And I jizzed in my pants

Speeding in the street, when the red lights flash

Need to get away, need to make a dash

A song comes on that reminds me of you
And I jizz in my pants

The next day
My alarm goes off
And I jizz in my pants

Open the window and a breeze rolls in
And I jizz in my pants

When Bruce Willis was dead at the end of Sixth Sense
I jizzed in my pants

I just ate a grape
And I jizzed in my pants

I went to. . .
Ok seriously you guys, can we. . . . ok?
