## Not Moving To Portland The Long Winters

I prefer Roderick s solo version that he does on tour, so I made chords for that.

Here is the version I did: http://www.youtube.com/watch?v=6fvb6XL-vAM

This is the most ridiculously syncopated song I ve ever tried to play, so the chord

location will be off in certain places. I tried to match the sounds and the chords

as best as I could.

The intro is in 4/4. Nice and easy. The verses are in 5/4 time, and the choruses are (mostly) 2 bars of 7/4, 2 bars of 5/4, 2 bars of 7/4, and 2 bars of 5/4. The bridge part with the Em is in 3/4.
