Intro: **A5-E-A5-E-A5-E**

Verse 1:

A5 **C#m** **E** **D**
She has no idea she could make me do anything
A5 **C#m** **E** **D**
She acts like itâ€™s the simplest thing for me to be there
A5 **C#m** **E** **D**
You tell me no That Iâ€™m a fool to go calling her, and calling her
A5 **C#m** **E** **D**
You can call me stupid when she tells me it has to end

Chorus:

A5 **D**
Stupid, you could call it that
A5 **D**
Stupid, but you have no idea
A5 **D** **A5** **E** **A5** **D** **A5** **E**
How stupid I would feel, if fifteen years from now I see her
 A5 **D** **A5** **F** **G5** **A5** **E** **A5** **E**
And she says why didnâ€™t it happen between us, stupid?

Verse 2: Use verse 1 chord structure

New York soon will hum
The electric car has come
She laughs when I pretend to fall
You call me out
Let her down easy please, canâ€™t you see she believes?

My friend, you called me stupid then
But youâ€™re the one that doesnâ€™t see

Chorus: Repeat above chorus once

Bridge/Solo Chords: **A5-C#m-E-D** x2, then
 A5-C#m-E, then
 A5-E-A5-E

Repeat Chorus: (with some variation) to fade out,,,
