

Everlasting Love
The Love Affair

Song: Everlasting love
Artist: The Love Affair
Composers: Buzz Cason & Mack Gayden
Album: The Everlasting Love Affair

Tabbed by DJ (DiddyD on ultimateGuitar.com)
23rd Jan 2013

NOTE: This is specifically a tab of the 1968 version by UK band
The Love Affair, NOT the 1974 version by Carl Charlton better known
in the US, which had a slightly different arrangement.

CAPO: 2nd fret (Will then sound in the recorded key of E)

Chord names and fret positions are relative to the capo:

- | | |
|-----------------------------|--------------------------------|
| D = xx0232 | D/A = x00232 |
| A/C# = x4222x | Am/G = xx5555 or 302210 |
| G/B = x20033 | Cm6/G = xx5545 |
| Em = 022000 | Em7 = 022030 |
| G = 355433 or 320033 | A4 = x02230 |
| A = 577655 or x02220 | A# = x13331 |

My suggestion for the ending is to just gradually slowing down
over the last line

Please select a star rating for this tab, many thanks
