

**Gone Are The Songs Of Yesterday  
The Love Affair**

Intro: **A D Bm E Bm E A E**

**A**                    **Bm**                    **E**  
Sad that the songs we used to hear,  
**Bm**                    **E**                    **A**  
bring back the times when you were near.

**Bm**                    **A**  
There s a song that reminds me,

**Bm**                    **A**  
of our very first embrace.

**Bm**                    **A**  
Oh, the new melodies.

**Bm**                    **E**                    **A**  
Nothing takes the place, of you.

**Bm**                    **E**  
Since the time you went away.

**Bm**                    **E**                    **A**  
Gone are the songs of yesterday.
