D Em7
Well, you found the butterflies
D Em7
It s funny how we re alike
Bm G D A
Is your tummy full tonight like mine?
D Em7
Wine flights of cheap champagne
D Em7
And that night we stayed up late
Bm G
For the sunrise that never came
D A A7
Through the clouds and pouring rain
Gm7
Oh, tease, I bet you re sitting in a pile
Em
Of stolen LPs on your dirty floor
D Bm
Wish you were here with me
G
I m doing better now
D
But I ve still got the disease

D Em D Em D

You re an artist with a steady wrist
And I m just a sad scientist singing
About who I kissed last night
In your shoes, I d walk a mile
It takes one to know once in a while I do (feel blue, too)

And the worst thing about the changing weather
Is the leaves turn and you ain t no better
And you ll never be
That s the beauty of those lovely leaves
I ve still got the disease
I ve still got the disease

D Em D Em D (Fade out)
